Positive comments:

“Loved the topics and the instructor enthusiasm! I felt like I learned a lot.”

“I enjoyed the wide variety of topics presented in class that I had no idea were actual issues, and the fact that there were differing opinions from the group members.”

“I really enjoyed the discussion format of the seminar and the variety of topics we covered. I benefitted from discussing topics with peers and I learned a ton from Nate because he is remarkably knowledgeable about the wide breadth of topics.”

“The topics were great and even when the instructor was not the lead for the class, he still came prepared with questions to keep discussion on track. He also gave his input on topics without taking control of the discussion and allowed the students to take lead”

“Lots of well-prepared materials and room for discussion! I appreciated the guest speaker as well”

“Nate does a great job facilitating discussion. He presents his perspective and knowledge while leaving space for others to participate. The class was well organized from the beginning and followed a clear schedule.”

“He kept things well organized so the discussion would flow smoothly”

“Very well prepared for class with lots of background information for discussion.”

Negative Comments:

“Maybe getting more non-hunter focus on it”

“I would just like the discussion time to be longer sometimes”
